CCC CMOD

Agenda/ Next steps

- CMOD topic: new approaches to EBFM/EAFM
 - Skills focus on effective development of successful motions
- CCC Steering Committee is working with the facilitators on how to structure the training
 - Facilitators are beginning scoping with individuals from each Council region
 - Will inform selection of 3-4 cross-cutting themes
- **Steering Committee recommends that the Councils consider sending members with some exposure to EBFM/EAFM concepts.**
 - Will allow more opportunity for interactive discussion rather than introduction and context-setting
 - Each Council to send 4 persons (suggested 3 Council members and 1 staff)
 - NMFS to send 10 attendees (mix of regional office and headquarters staff)
